

Helping Businesses[®] Grow with Confidence

SALES TRAINING • BUSINESS DEVELOPMENT • STRATEGIC GROWTH

Member Welcome Guide

"Inspire to Be Great"

WELCOME TO IDI

- IDI was created to give members more ways to increase revenue, reach new customers, build stronger business relationships and gain access to funding opportunities.
- Thursday, October 1, 2026, at Rivertown Market Rivertown Market 1475 E. Jefferson Ave. Detroit, MI 48207 at 6:00pm-7:00pm.

YOUR IDI MEMBERSHIP

- IDI is a month-to-month membership. One membership covers the founder and one authorized team member listed in the Membership Agreement.
- Your membership remains active as long as your monthly payment is current and you follow the IDI Membership Agreement. The first 50 paid members receive the \$25 Founding Member Rate. That rate remains active as long as the membership stays active and in good standing.

FUNDING OPPORTUNITIES

- Members will receive access to EAM/IDI funding opportunities and vetted outside grant opportunities.
- EAM/IDI funding awards will depend on available program funds. Each opportunity will have its own requirements, deadline and selection process.
- Members will not pay an additional application fee to apply for an EAM/IDI funding opportunity.
- Outside grants are controlled by the organization offering the funding. EAM will review the opportunity and share any known application fee, required purchase, membership cost or other expense before sending the application link.
- Funding is not guaranteed. Members are responsible for meeting the requirements and completing their applications, pitches or presentations.

MONTHLY LIVE BUSINESS WORKSHOP

IDI members will have access to one 2.5-hour live interactive business workshop each month.

Workshops may cover:

- Grant readiness
- Access to capital

- Increasing revenue
- Customer acquisition
- Sales and marketing
- Brand exposure and visibility
- Business planning
- Business challenges shared by IDI members

Some EAM/IDI funding opportunities may include a live pitch or presentation during the workshop. Members must attend when the opportunity requires a live presentation.

BUSINESS ACCOUNTABILITY CIRCLE

- Members will have access to one Business Accountability Circle each month.
- The Circle gives members a place to discuss business goals, challenges and next steps. Members can share updates, ask questions and stay accountable for the work needed to grow their businesses.
- Information shared during a private Accountability Circle should remain private.

EAM EXPO

- IDI membership includes the opportunity to participate as a vendor at an EAM Expo without paying an additional vendor fee.
- Vendor space is based on availability, registration, business fit and membership standing. Members should register early when Expo information is sent.

The EAM Expo gives members an opportunity to:

- Sell products or services
- Reach new customers
- Increase revenue
- Build customer relationships
- Gain brand exposure and visibility
- Connect with other businesses and community partners

Expo participation does not guarantee sales or revenue.

BRAND EXPOSURE AND VISIBILITY

- EAM may promote active members through EAM social media, email campaigns, the EAM website, live events and other program opportunities.
- Members must provide EAM with the correct logo, photos, business description, website and social-media information needed for promotion.
- EAM cannot guarantee how many customers, sales or followers a promotion will produce.

WHAT TO EXPECT EACH MONTH

EAM will send members program information by email. Monthly updates may include:

- Workshop dates and registration links
- Business Accountability Circle information
- EAM Expo dates and vendor registration
- EAM/IDI funding opportunities
- Vetted outside grant opportunities
- Application requirements and deadlines
- Requests for promotional content
- Program updates or schedule changes

Members are responsible for reviewing IDI emails and completing registrations or applications before the stated deadline.

YOUR NEXT STEPS

1. Complete and sign the IDI Membership Agreement.
2. Complete the short IDI Member Profile Form.
3. Provide your logo, business description, website and social-media links.
4. Watch your email for the monthly IDI schedule, registration links and funding opportunities.
5. Keep your contact information and monthly payment current.
